

Advancing Physics – Sensing Project Planning Sheet

Name _____ Teacher _____

Dates of practical work _____ Hand in the report by: _____

Proposed title of my project

What I hope to achieve

Outline of my plan

A circuit diagram to show how I will set out my apparatus (at the start)

Equipment I'd like to use

Power supply(ies)
Meter(s)

Sensor(s) (including component numbers)
Other equipment

Chemicals required

Safety Issues I need to think about (Compulsory)
